PROTRACTED QUESTION.

It frequently happens that a trifling matter of politics suffices to embroil a whole kingdom or even several States...

The capital question in Buenos Ayres is somewhat similar, and the real matter at issue is lost sight of...

There is an advantage in these protracted questions: that they seldom terminate in a configuration, and though the political atmosphere is enlivened...

obscured. The bride is generally speaking the ideal of the law...

If we pursue our observations a little further we shall find that the cradle in the country districts is generally speaking the man who has least to lose in case of a row...

It is said, we know not with what truth, that notwithstanding all the efforts of Messrs Acosta and Dominguez...

In an instance of this we may state as follows: In the parish of San Ysidro...

Furthermore, it is essential that it be thoroughly explained to the people in the country...

As a general rule the people in the camp are all in favour of the National Government, and by the very smallest exertion on the part of the caudillos...

EDITOR'S TABLE.

Buenos Ayres is at last out of mourning for the King of Denmark...

The weather seems at last about to break. Yesterday, in the morning, there was a great appearance of a storm...

Questions long protracted, like a bow constantly bent, lose their force, and evaporate. There is, therefore, much cause to trust that Slawick-Holstein will not be annulled...

CAMP POLITICS.

Nothing can more thoroughly prove the root which politics have in this country, than the fact that notwithstanding the present lamentable state of the camp...

On the 14th inst. about 3 p.m., in the street of General Brown, a man was seen to be walking...

SCANDALOUS OUTRAGE.

We are indebted to the "Tribuna" for the following:

On the 14th inst. about 3 p.m., in the street of General Brown, a man was seen to be walking...

Nino, excited with drink, commenced leaning him with his rebreque. The Doctor, in self defence, seized hold of the Alcalde...

"Pitch into that blackguard of a Frenchman," shrieked Nino, "even although you kill him."

On arriving at the Comisaria the latter received notice from the Policia that a man was being sought...

Dr. Derosoux has suffered severely, not only from the blows he received, but also from his six hours confinement in the stocks.

This Nino was one of the principal followers of J. Moreno, Chief of Rosas' policy...

TARPEAN ROCK.

We consider it our bounden duty to warn our newly-arrived countrymen against many delusions into which he may very easily slide.

1st. That when a Government, like that of Buenos Ayres, is wished to encourage foreign emigration...

2nd. That in this city of Buenos Ayres, which fondly calls itself the Athens of South America...

3rd. That, judging from the state of the first thoroughfare he sees, after landing, the whole of this country is the same.

What has prompted us, on this occasion, to speak so seriously to the new arrivals, is simply the shameful state in which Calle Cangallo...

In days long since, when a common sewer broke down in Rome, and left a nighty hole, which the jostling commotion of those days could not repair...

A report was current yesterday that Flores had sent agents to buy up all the old muskets. There is likely to be some foundation for a report of this nature...

Suppose that Sr. Cazon should try the efficacy of having what is called in sporting language, a 'cropper' or 'mucker' (and may we be there to see?)

The camps of Pilar are by no means in that apocalyptic condition they are reported to be in; the part on the northern side...

We perceive, in yesterday's "Tribuna," a rather severe attack on Dr. Rufino Elizalde, Argentine Minister for Foreign Affairs.

He accepted the charge of the Hacienda Department, influenced by the patriotic motive of assisting President Mitro, when Dr. Velez Sarriena prematurely resigned.

Our local registrars are very busy (not now with mettle-steering stragglers) horse-racing is again permitted at the pulperias...

ROSARIO MAIL.

The Ferrocarril of Tucuman, has nothing important. A masked ball took place at the theatre on Sunday night.

Dates from Catamarca are to January 20th. Sr. Maubecin, brother to the Governor, died; the official organ says he was greatly regretted...

Carolela is said to be on the verge of a revolution, the opposite factions being greatly inflamed. Gov. Ferreira's term of office expires in February...

Mr. Capillero's was a man of circumspection, and a discreet man, but I find that I have been mistaken, and instead of being such he is—I won't say what...

PARANA.

We have the "Litoral" of the 15th and 16th inst. Carrigo celebrates the second anniversary of his journal, and ridicules the victory of Paron.

Operatic performances, including airs from Traviata, &c., are given in the theatre by Mme. Bulli (who sang in it, Ayres with Mollo) and Sig. Onio.

FLORES.

THE DROUGHT.

We have seen a meteorological table, drawn up by Sr. Egua, pointing out the quantity of rain which has fallen in Buenos Ayres during 1861, 1862, and 1863...

In 1861 the rain fell, as shown in the small number of 24.15 inches. In 1862 fell 43.59 in inches; and in 1863 29.93 inches.

Office—87 calle SAN MARTIN.

The want has long been felt of an establishment wherein the frugal and laborious citizen might deposit his savings, so as to incur no risk, and reap at the same time a good return.

The Institution is calculated to answer such a purpose, extending the benefits of the establishment to even the humbler classes.

Public attention is, therefore, specially called to the number of subscribers, and the diversion of funds, according to the rules of the Association.

The PREVISORA ARGENTINA will receive subscriptions as follows:
 1st. On one's own life, in arrears of \$5 silver each. These subscriptions liquidated at any time at the option of the subscriber.
 2nd. Without loss of capital by death of the insured. Subscribers will be entitled to compound interest on their subscriptions and the proportional interest forfeited by the death of other shareholders in their Class, whose capital, however is returned.
 3rd. With loss of capital and interest by Insurer's death. All shareholders of this class shall gain compound interest on their subscriptions, besides a proportional part of the capital and interest of all who die in their Class.
 All these subscriptions may be paid weekly, monthly, quarterly, half yearly, or yearly.

The capital of this Company shall be invested only in landed property (finca), and with the greatest security.

The Board of Inspection, composed of subscribers, shall have charge of all the operations of the Company.

For further particulars, apply at the Co's office 87 calle S. Martin (altos) between the hours of 11—4; prospectus given on application.

SAVINGS BANK.
BANK MAU & CO.

BUENOS-AYRES:
 The immense advantages of Accounts Current are now so generally felt, and appreciated in the E. & O. great importance of the Calle Plateros—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the Bank in which they place the most confidence.

The Bank of Mau & Co. in Montevideo has already provided for the working class in that city, as safe & profitable depository for their savings.

The sums deposited in that most important institution are daily increasing and already reach a very large amount.

These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, workmen & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old age, instead of spending them in the immoral gambling, in lotteries and in their trifles.

The Bank of Mau & Co. of this city following the example of their Buenos Ayres September 10th 1893.
