SAVINGS BANK. BANK MAUÁ & C. BUENOS-AIRES.

The immense advantages of Accounts Current are now so generally felt, and appreciated in the two great emporiums of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the Bank in which they place the most confidence. The Bank of Mauá & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depository for their savings. The sums deposited in that most important institution are daily increasing and already reach a very large amount. These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, workmen & servants of all classes, conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old age, instead of spending them in the immoral gambling, in lotteries and other frivolities. The Bank of Mauá & Co. of this city following the example of their Buenos Ayres September 10th 1893. p. p. Mauá & Co. WELLS & CO.

Extra branches, such as Latin, Mathematics, German, Music and Drawing, are also taught by special masters.
