BUENOS AIRES.

The immense advantage of *Accounts Current* are now so generally felt, and appreciated in the city, that great numbers of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the bank in which they place the most confidence.

The Bank of Maud & Co. in Montevideo has already been mentioned for the working class in that city, a safe and profitable depository for their savings.

The sums deposited in that most important institution are daily increasing and already reach a very large amount.

These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a *reserve fund* in case of need, sickness or old age in case of spending them in the immoral gambling, in lotteries and other frivolities.

The Bank of Maud & Co. of this city following the example of their Buenos Ayres September 19th 1863.
