FLORES' MOVEMENTS

The Regimiento 22nd just, has letters from Canelones and Guadalupe to the 21st; on the day previous, reconnaissance had been made along the Santa Lucia, without meeting with any rebels, but several filibusters had passed over to Government...

Appel to Protestant Sympathy

A melancholy occurrence, during a recent visit to the Department of Colonia, brought the writer into contact with a young man...

EDITOR'S TABLE

The rupture between the National and Provincial Governments is what the French call 'tres-prononce' being widened by the question of military commanders in the camp...

pitious as we learn from one of his relatives. He was a very sober man, and returning from the estancia house of D. Domingo Martinez with the usual modest and happy, it is likely he was murdered. His body when taken, from the well, showed some injury on the neck, and was specially buried, without a coffin, before the eyes of the Irish neighbors...

We learn that the camps near San Pedro are in good condition. Indeed the prospect of its recovery from the effects of the late drought, and Irish farmers are viler, if not richer, than before. They have endured several hundred days nights without shelter, sleeping a la bella estro.

Major Bassa, a member of the Club Libertad, has been invited to the 22nd inst. He will be received by the 22nd inst. He will be received by the 22nd inst. He will be received by the 22nd inst.

The colony in question, situated on the banks of the River Plate, some ten or twelve leagues to the south of Colonia, has a history of its own...

The rupture between the National and Provincial Governments is what the French call 'tres-prononce' being widened by the question of military commanders in the camp...

This colony is to the Oriental Republic what the Scotch colony of Montserrat was to the British Empire. It is a public what the Scotch colony of Montserrat was to the British Empire...

These blunders, our brethren the Waldenses properly avoided. Their undertaking is one of primitive simplicity, the direct application of a rural economy may be seen in all their projects...

These plans are applicable to all the Waldenses, but more especially to those with a special adaptation to the descendants of the Governantes.

With six Protestant churches in the colony, it is not surprising that they should have fully established and in full operation, a society for the relief of the poor...

The rupture between the National and Provincial Governments is what the French call 'tres-prononce' being widened by the question of military commanders in the camp...

reception, and the modest and much-needed improvement placed before us, the writer has only to observe, that he hopes to see them simply required, by a natural response to the present appeal...

The personal sentiments and polished manners of the inmates formed a painful contrast with their humble abode and all its appointments. For the accommodation, a large family there is nothing more than a common rancho, only different from those of the ordinary colonists by its somewhat larger dimensions...

These plans are applicable to all the Waldenses, but more especially to those with a special adaptation to the descendants of the Governantes.

Another consideration, and not a secondary one, is the benefit that may accrue to the Protestants of German denominations and nationalities, settled in the neighborhood of this colony.

The rupture between the National and Provincial Governments is what the French call 'tres-prononce' being widened by the question of military commanders in the camp...

institution of intrinsic merit, and with strong claims to sympathy. For what it is, and what it may do, in favour of the general cause.

That to show the little probability of failure, we can point out a host of officers and gentlemen, well known to us, who may be secured as coadjutors in the preliminary public meetings...

These plans are applicable to all the Waldenses, but more especially to those with a special adaptation to the descendants of the Governantes.

Another consideration, and not a secondary one, is the benefit that may accrue to the Protestants of German denominations and nationalities, settled in the neighborhood of this colony.

The rupture between the National and Provincial Governments is what the French call 'tres-prononce' being widened by the question of military commanders in the camp...

calmly on the editors of the French newspaper, 'Le Progrès.' I wish to explain myself: it is not only such articles that I wish you to retract. That is a base and low action, which is done every day, in every line of your newspaper, and which renders a national question a personal one, in which our journal, the 'Progrès,' insisted in every way, seems to be the insolent.

The rupture between the National and Provincial Governments is what the French call 'tres-prononce' being widened by the question of military commanders in the camp...
