SAVINGS BANK
BANK MAUAS & C^o

No. 103 calle de Cangallo. —
BUENOS-AYRES.

The immense advantages of Accounts Current are now so generally felt, and so appreciated in the two great emporiums of the River Plate—Montevideo & Buenos Ayres—that there are very few merchants who fail to keep one at the Bank in which they place their most confidence.
The Bank of Mauas & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depositary for their savings.
The sums deposited in that most important institution are daily increasing and already reach a very large amount.
These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, carting-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old age, instead of spending them in the interest gambling, in lotteries and other frivolities.
The Bank of Mauas and Co. of this city following the example of their

ENGLISH GRAMMAR SCHOOL,
CALLE LARGA DE BUENOS AYRES.

This Establishment, which from its foundation has been patronized by the principal British families of Buenos Ayres, is an exact reproduction of an English School, where a sound commercial education is combined with the acquisition of the French and Spanish languages is imparted to the pupils, and based upon the same system as in all first class European institutions of rank.
An ever-extended and constant superintendance, and a strict maintenance of order and propriety, are a sufficient guarantee for the moral and behavior of the pupils, as carefully attended to.
The different branches taught in the English Grammar School comprise the English, French and Spanish languages, History, Geography, Arithmetic, and Book-keeping in all its parts, Writing, and Book-binding instruction.
Extra branches, such as Latin, Mathematics, German, Music and Drawing are also taught by special masters.
The situation of the English Grammar School, in one of the most delightful quarters of the Calle Larga de Buenos Ayres, at every gate of the city, is one of the most beautiful and picturesque of the environs of Buenos Ayres.
