THE SAN NICOLAS MEETING.

It is a fact that we have a popular demonstration of opinion in this country...

Called by business to the confines of this province, we had every opportunity of remarking the great beneficial difference between a quasi-Federal Administration and a garrison, warlike, democratic rule...

The town of Las Piedras owes its origin to civil war, its dilapidation to peace. Built in obedience to a fiat of Urquiza...

When the great Crudo and Codigo debate struggle came off last month, it was discovered that in the town of San Nicolas...

Such was the object of things when the meeting which we refer to was convened. It was attended by almost every respectable foreigner and native...

Nature herself seems to conspire at the destruction of this faded place...

The French Packet leaves for Liverpool... Persons sending home copies of the Inauguration report need not be afraid...

Persons sending home copies of the Inauguration report need not be afraid...

A RUILO TOWN.

Foreigners in the River Plate, as a general rule, have a rather imperfect knowledge of the state of the interior...

The Northern Railway has opened a formidable opposition to the diligences of Pilar, Capilla, and Arco...

We have heard the result of the San Nicolas Association half yearly meeting on Tuesday night...

It is true that Governor Savadra intended getting up another inauguration on the occasion of the opening of the paper bank at Villa Mercedes...

Accounts state that Sunday's shower was very copious. Within an area, for instance, of a square league, it rained in a dozen places...

THE INAUGURATION.

Knowing that our readers will be weary of this interesting and most important subject, and feeling that it is a pity to omit any of the grand sentiments pronounced by Consul Parich...

Mr. Parich opened the ceremony thus: Gentlemen—We are assembled to celebrate a great triumph of civilization...

EDIFICO'S TABLE.

The French Packet leaves for Liverpool... Persons sending home copies of the Inauguration report need not be afraid...

single letter-sheet, without envelops, cost only 45, if prepaid in-day, or if sent unpaidd only ten paces in England.

On mistaken authority we published last Sunday the demise of Mr. Octavio Rossi, broker, whom we had the pleasure of seeing yesterday in excellent health...

Out countrymen in the north camp will be glad at the appointment of the Rev. Mr. Leahy as Irish pastor for the districts of Fortin Arco, Salto and Hoja...

The inauguration banquet has been highly spoken of, and attached much credit to the name of M. Sara, Boch and Semper.

SUSPICIOUS OMISSION.

So many it seems strange that none of the Spanish papers published the President's speech at the inauguration ceremony on last Monday...

It is generally believed that the cause of the omission, was the rather flattering terms in which his Excellency apostrophized British capital...

Legislature of B. Ayres.

The Nacion Argentina of yesterday publishes the following list of candidates (Cocidos) for the elections of the 27th. Senators: General D. Emilio Mitre, Juan Bautista Peña, Jose Maria Albarino, Jaime Lavallol.

SAVINGS BANK
BANK MAUD & CO.
No. 103 calle de Cangallo. — BUENOS-AYRES.

The immense advantages of Accounts Current are now so generally felt and appreciated in the 100 great municipalities of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the Bank in which they place their most confidence.

The Bank of Maud & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depository for their savings.

The sums deposited in that most important institution are daily increasing and already reach a very large amount.

These advantages have no hitherto been enjoyed in this city by an immense number of Clerks, artisans, workmen & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of sickness or old age, instead of spending them in the momentary gambling, in lotteries and other frivolities.

The Bank of Maud & Co. of this city following the example of their Buenos Ayres September 19th 1863.
W. M. MAUD & CO.

ENGLISH GRAMMAR SCHOOL,
CALLE LARGA DE BARRACAS
Duro—The London University College.
This Establishment, which from its foundation has been patronized by the principal British families of Buenos Ayres, is an exact reproduction of an English School, where a sound commercial education is combined with the acquisition of the French and Spanish languages imparted to the pupils, and based upon the same system as in all first class European institutions of the kind.

An ever-watchful and constant supervision, and a strict maintenance of order and propriety, are a sufficient guarantee of the moral and behaviour of the pupils are carefully attended to.

The different branches taught in the English Grammar School comprise the English, French and Spanish languages, History, Geography, Arithmetic, and Book-keeping in all its parts, Writing, and Book-keeping in shorthand.

Extra branches, such as Latin, Mathematics, German, Music and Drawing are also taught by special masters.

The situation of the English Grammar School, in one of the most delightful quarters of the Calle Larga de Barracas, at the very heart of the city, is one of the most healthful and picturesque of the environs of Buenos Ayres.
