## SAVINGS BANK BANK MAU&C.

The immense advantages of Accounts Current are now so generally felt, and appreciated in the great emporium of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the Bank in which they place their most confidential funds.  
The Bank of Mau & Co. in Montevideo has already provided for the working class in that city, a safe, profitable depository for their savings.  
The sums deposited in that most important institution are daily increasing and already reach a very large amount.  
These advantages have no hitherto been enjoyed in this city by an immense number of Clerks, artisans, courtiers, and servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old age, and of spending them in the innocent gambling, in lotteries and other frivolities.  
The Bank of Mau & Co. of this city following the example of their Buenos Ayres September 19th 1863.

### ENGLISH GRAMMAR SCHOOL, CALLE LARGA DE BARRACAS.

Dr. P. PONGERARD, of the London University College.  
This Establishment, which from its foundation has been patronized by the principal British families of Buenos Ayres, is an exact reproduction of an English School, where a sound commercial education combined with the acquisition of the French and English languages is imparted to the pupils, and based upon the same system as in all first class European institutions of the kind.  
An ever-watchful and constant supervision, and a strict maintenance of order and propriety, are a sufficient guarantee for the successful education of the pupils so carefully attended to.  
The different branches taught in the English Grammar School comprise: the English, French and Spanish languages, History, Geography, Arithmetic, and Book-keeping in all its parts, Writing, and Calligraphy Instruction.  
Extra branches, such as Latin, Mathematics, German, and Drawing, are also taught by special masters.  
The situation of the English Grammar School, in one of the most delightful quarters of the Calle Larga de Barracas, at its very gates of the city, is one of the most beautiful and picturesque of the environs of Buenos Ayres.  
For particulars apply for prospectus at the Boarding Office, Calle Bolívar 71.
