*ANY EXPORT TRADE.

A NEW EXPORT TRADE.

Exporting produce has been for years our hobby. Manfully in the teeth of all the billiard players and heavy swells on town we have called attention to the scandalous increase of our imports, and the decided diminution of our exports. The balance of trade has been steadily becoming used to the decided diminution of our exports. Two Millione Dullars Suppration the Treasures of the Country the Pressures of the Country that favoured us with the official returns for 1863, of the lands and their busines, in the everal 'particloy,' held by Government, or private parties.

in 8,59 square leagues being wondered at therefore that taking such a we do in the control of the country. None of our colleas gues have preached so much on this subject as ourselves. It is not to be wondered at therefore that taking such

The Chincha Islands have long since be in walked off with, by English and American captains, and now the only fortress in this republic, the very Gibbrahar of the Plate is to meet a like fate. Piculdent Mitte, if he wishes to rescue Martin Garcia, should put Mr. Haedo of the Western Rallway in the stocks, of the Western Rallway in the stocks, and the work of the Western Rallway in the stock of the Western Rallway in the stock of the Western Rallway in the sountry laden wing sourced some other homeward cargo for his vessels than the rocks of Martin Garcia.

· EDITOR'S TABLE,

The "Contribucion Directa" book which Minister Doninguez sent us disclores the most astounding facts—the Arabian Mights 'Entertainment are nothing to it. 'We can now very well understand why there is such squalling about publics—for we believe that the vaults of the Government House, must heave flowing with houses. Since the heaves flowing with houses. Since the vaults of the Government House must be overflowing with ounces. Since the foundation of the world there never was a country where property in one year so increased in value as in Buenos Ayres. Let fools talk about the United States, Canada, or Australia, Buenor Ayres heats them all hollow: the little partidgo of Moron has increased in value in one year one thousand one hundred and fifty per cont. If this ripid rise in the value of real estate does not defeat

till half past 41—After you were vounded you never moved an inch until the cleations were over.

Here ends the plaintiff case, and the question put to the jury is, what the columns of the Tribusa' were open to Tom, Dick, and Harry, copecting the loan question. Several very intelligent 'vigilantes' were seen activities, and the series of the Tara. We suppose they were year the put is, and the part of the put is the put in the part of the put is the put in the put is the put in the pat is the put in the p

Business has been very bitisk, and within the week, escretal other transications are reported. He Progress mentions a dispute between two traders at a Fonds, one of them being arried home on a door. In the Onco Setiem being a several own hands will congare the clearances of personal cargo sre-effected every night, and the specules the construction of the minors are protitable that we expect several new hands will congare in the construction of the minor States in defence business are protitable that we expect several new hands will congare in the comparison of the minor States in defence of the comparison of the minor States in defence of the comparison of the minor States in defence of the comparison of the minor States in defence of the comparison of the minor States in defence of the comparison of the minor States in defence of the comparison of the minor States in defence of the suntiness of the comparison of the minor States in defence of the States of Comparison of the minor States in defence of the States of Comparison of the minor States in defence of the States of Comparison of the minor States in defence of the States of Comparison of the minor States in defence of the States of Comparison of the minor States in defence of the States of Comparison of the States of Comparison of the succession.
