SAVING BANK BANK MAUD & CO.

No. 105 calle de Cangallo. —
BUENOS AYRES.

The immense advantages of Accounts Current are now so generally felt, and appreciated in the city, that the company, known as the River Plate—Montevideo & Buenos Ayres—has that there are very few merchants who fail to keep one at the bank in which they place the most confidence.

The Bank of Maud & Co. in Montevideo has already provided for the working class in that city, a safe and profitable depository for their savings.

As sums deposited in that most important institution are daily increasing and already reach a very large amount.

These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, working men, servants, and all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves a future and secure fund in case of need, sickness, or old age, in lieu of spending them in the national gambling, in lotteries and other frivolities.

The Bank of Maud & Co. of this city following the example of their

firm in Montevideo now offer the same facilities in this city and will open on the 1st October a "Savings Bank" at No. 105 calle Cangallo from 9 a.m. to 3 p.m. on week days, and on Sundays and holidays from 10 a.m. to 12 p.m. for the reception of the savings of the classes already mentioned.

The Bank will deliver to each depositor a Pass Book in which will be entered the amount deposited and withdrawn.

The depositor is permitted at any time to withdraw the whole or part of the sum deposited, in the former case the interest will be calculated up to date.

The Bank of Maud & Co. is sufficiently known to the public by the benefits derived from the course of its operations, which are regulated on the strictest and soundest principles, and all ways directed to promote the general welfare.

The Bank of Maud & Co. are also prepared that this new branch of their business will render immense service to the working classes of Buenos Ayres and its neighbourhood.
