SAVINGS BANK
BANK MANS & CO.

No. 103 calle de Cargallo.

BUENOS-AYRES.

The immense advantages of **Accounts Current** are now so generally felt, and appreciated in the two great emporiums of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the Bank in which they place the most confidence.
The Bank of Mans & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depository for their savings.
If sums deposited in that most important institution are daily increasing and already reach a very large amount.
These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old age, instead of spending them in the numerous gambling, lotteries and other frivolities.
The Bank of Mans & Co. are also persuaded that this new branch of their business will render immense service to the working classes of Buenos Ayres and its neighbourhood.
Buenos Ayres September 19th 1862.

Proprietor, of the London University College.
This Establishment, which from its foundation has been patronized by the principal British families of Buenos Ayres, is an exact reproduction of an English School, which a novel commercial education combined with the acquisition of the French and Spanish languages is imparted to the pupils, and based upon the same system as in all first class European institutions of the kind.

An ever-watchful and constant supervision, and a strict maintenance of order and propriety, are a sufficient guarantee of the morals and behaviour of the pupils are carefully attended to.
The different branches taught in the English Grammar School comprise the English, French and Spanish languages, History, Geography, Arithmetic, and Book-keeping in all its parts, Writing, and Bell's Grammar.
Extra branches, such as Latin, Mathematics, German, Music and Drawing, are also taught by special masters.

The situation of the English Grammar School, in one of the most delightful quarters of the Calle Larga de Barracas, at the very gates of the city, is one of the most beautiful and picturesque of the environs of Buenos Ayres.
