SAVINGS BANK
BANK MAU&C^o
No. 103 calle de Cargallo. —
BUENOS AYRES.

The immense advantages of Accounts Current are now so generally felt, and appreciated in the few great emporiums of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the Bank in which they place the most confidence.
The Bank of Mau & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depository for their savings.
The sums deposited in that most important institution are daily increasing and already reach a very large amount.
These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of next sickness or old age, in lieu of spending their in the intemperate gambling, in lotteries and other frivolities.
The Bank of Mau & Co. of this city following the example of their friends and neighbours, on 19th 1883.

CONDITIONS.
1st. The Bank receives at interest any sum from Twenty five dollars currency or one silver dollar upwards.
2nd. The interest allowed is six per cent [6 p c] per annum which is liquidated every six months.
3rd. The depositor can at any time retire the whole or part of the money deposited.
4th. Once the amount deposited exceeds Twenty five thousand dollars currency or one thousand dollars silver the depositor if he wishes can open an account current according to the rules established by the Bank.
5th. In case the depositor loses his Pass Book it can be replaced by another on paying twelve dollars currency, and advertising the loss in the public newspapers.
