Editor's Table.

We have an unpropitious distaste for the turf, although Irishmen are sometimes poetically yeck'd 'log trotters'...

Mr. Patrick Wallace, of Chascomus, has a serious complaint against the authorities.

Government is now thinking of colonising the Guardia de la Esquina.

The advantages to be derived are: 1. Its situation upon a stream which is navigable for nearly the whole year.

2. Its proximity to the grand court of commerce, Rosario.

3. The Grand Central Railway will pass so near to the colony.

4. It joins the sea coast with the neighbouring provinces.

5. It will serve the safety of the frontier.

SAVINGS BANK
BANK MAU& CO.
No. 103 calle de Cangallo.

BUENOS-AYRES.
The immense advantages of Accounts Current are now so generally felt, and appreciated in the two great emporiums of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to place one at the bank in which they keep their most confidential.
The Bank of Mau & Co. in Montevideo has already provided for the working class in this city a safe and profitable depositary for their savings.
The sums deposited in this bank are put to use in the most important and profitable manner, and already reach a very large amount.
These advantages have no hitherto been enjoyed in this city by an immense number of Clerks, artisans, workmen & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old age, instead of spending them in the momentary gratification of the most ordinary and frivolous.
The Bank of Mau & Co. of this city following the example of their Buenos Ayres September 19th 1863.
