Another Fatal Murder.

Yesterday about three p.m., a soldier entered a house in Calle Orenito, with the intention of robbery; he killed the owner of the house, and fled down Calle Piedad taking refuge in Sor Sautera's house, where he was soon seized.

MONTEVIDEO.

On Tuesday last the suit instituted by Señor Brizuela, against the editor of the 'Reforma Política', for defamation of character, was to commence in Montevideo. Brizuela's charge, judging from his antecedents, must be very rich and racy, and we can almost fancy his look of injured innocence, and his talking to the judges in the King Cambray's vein.

BRISIA NEWS.

A gentleman whose position affords peculiar facilities for observation regarding the movements of the presidency, has assured us that their excitement respecting emigration extends all the way. Not a farmer who does not seriously consider the 'advantage of leaving land and home; not a labourer who does not long for the means which shall enable him to fly from this miserable land. He instances one case of this sort, and it merely indicates the process which is going on throughout the country, and which promises to leave Kery a waste, if some means shall not be taken to remove the causes which excite to this lamentable depopulation.
