SAVINGS BANK
BANK NAVAL & C.
 No. 103 calle de Cangallo. —
BUENOS AYRES.

The immense advantages of Accounts current are now so generally felt, and appreciated in the two great emporiums of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the bank in which they place the most confidence.

The Bank of Mauá & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depositary for their savings.

The sums deposited in that most important institution are daily increasing and already reach a very large amount.

These advantages have no, hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old-age, instead of spending them in the immoral gambling, in lotteries and other frivolities.

The Bank of Mauá & Co. of this city following the example of their Buenos Ayres September 19th 1864.
