**BANK MAU & CO.**  
 No. 103 calle de Cangallo.

The immense advantages of **Accounts Current** are now so generally felt, and appreciated in the two great emporiums of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the bank in which they place their most confidence.  
 The Bank of Mau & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depository for their savings.  
 The sums deposited in that most important institution are daily increasing and already reach a very large amount.  
 These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a **reserve fund** in case of **sickness or old age**, instead of spending them in the immoral gambling, in lotteries and other frivolities.  
 The Bank of Mau & Co. of this city following the example of their Buenos Ayres September 19th 1862.
