**SAVINGS BANK**  
**BANK MAUÁ & C.**  
No. 103 calle de Cangallo.

**BUENOS-AYRES.**

The immense advantages of Accounts Current are now so generally felt, and appreciated in the great commercial city of the River Plate—Montevideo & Buenos Ayres—that there are very few Merchants who fail to keep one at the Bank in which they place their most confidential.

The Bank of Mauá & Co. in Montevideo has already provided for the working class in that city, a safe & profitable depository for their savings.

The sums deposited in that most important institution are daily increasing and already reach a very large amount.

These advantages have not hitherto been enjoyed in this city by an immense number of Clerks, artisans, working-men & servants of all classes & conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness or old age, instead of spending them in the immoral gambling, in lotteries and other frivolities.

The Bank of Mauá & Co. of this city following the example of their Buenos Ayres September 19th 1863.
