ARTICLES FOR THE PAIRS EXHIBITION

It is very true that the Argentine Republic ought to be represented in the World's Fair of 1865...

1st. A Buenos Ayrean paper-dollar. Unlike the sestertii of the ancient Romans...

2nd. The Argentine stocks. Not mining or railway stocks, such being exclusively the property of foreign residents...

3rd. San Juan silver. This article is in great demand, and the supply wholly insufficient to meet the requirements of our market...

4th. The diluvian "Republica Americana." As this splendid aerial conveyance, which has (not) made a trip across the American continent...

6th. Argentine Manufactures. Buenos Ayres can find a match for any industrial enterprise in Europe.

6th. A model policeman. One who has never drawn his sword to a prisoner, without first using lip homage...

7th. The Army List. Prussians and Frenchmen will stare at the catalogue of Generals, and blush for their ignorance of the exploits of so many heroes...

8th. A Japanese Alcalde, dressed in official costume, chippis, potro boots and poncho.

9th. An antiquated mite cup and bombilla, said to be found in the Villa Luxan...

10th. A River Plate horse—one of those brutes which can gallop thirty leagues a day for a week without stopping...

THE PALLIERS ALBUM

The second issue for this month is not inferior to any that have gone before, and each successive picture of the Album fills us with fresh admiration of the versatility of subject, correctness of idea, life-like expression, and poetic grouping of the great Franco-Argentine artist.

El Payador represents a gauchito gallant, singing "decimas" to a peasant girl, who is seated beside him on the rude bench under the corridor of her rancho...

Perchance the old man is thinking of his own courting days, when he offered a like incense at the shrine of his affections. The open doorway of the rancho suggests the hospitality characteristic of the poorest gaucho...

His Prisoner's Wife represents a young woman sitting on the ground under a heavily-barred window, inside which is a man who looks with evident satisfaction on the trait of conjugal affection which forms the subject of our picture.

6th. A model policeman. One who has never drawn his sword to a prisoner, without first using lip homage, and subsequently taken him to the hospital. This would be termed in England "killing" politeness.

EDITOR'S TABLE

There was a little more stir in town yesterday. The steamer came up from the Molat, the Pavon arrived from Rosario, and the Fides from New York.

Our colleague the "Tribuna" seems to think that we are not sufficiently polite when speaking about him, but thanks us for taking up the part of the poor clerks of the Bank.

salary, and the Bank clerks, who are really hard worked, be left out. This is not fair play, and the "Tribuna" is perfectly right in calling attention to the matter.

The Piftero dispute threatens to grow to the most alarming dimensions. The letter in Friday evening's Nacional is a remarkably severe communication, and admits of very little reply.

The Provincial Government has ordered Mr. Hunt to be paid the \$30,000 for finishing the Canuel's Church.

The money is to be paid in monthly instalments of \$10,000. Our new Minister, Sor Cardenas, seems determined to employ the public moneys well. He has set about naming committees for public schools in all the towns where they are wanted.

The Felix Colon, we hear, is sold, up in Uruguay. She was a rather unsuccessful little boat. At the request of the merchants and estancieros the owners of the Era have changed her day for sailing.

We notice that Sor Riestra is at last Governor of Buenos Ayres. We congratulate the distinguished Argentine upon his accession to so elevated a post.

An Irish estanciero has called our attention to the necessity of introducing into this country the same regulations respecting the branding of sheep, as is at present in force in Australia.

The steamer Fair, we hear, is about to be taken off the Parana, and put on the Uruguay. The Pavon is too well established for the Fair, good though she be, to compete with her.

A SHARP PRACTITIONER

Since the days of Routinet and Steebug, no one has been so signally successful in what is technically termed "sharp practice" as Dr. Hermansader who left this country by last French packet.

He arrived in Buenos Ayres from the U. States, about 9 months ago, and represented himself as a native of that unfortunate country Sleswig Holstein, from which he was expelled in 1848, for political motives, he took refuge in the Great Republic. He was an ardent admirer of President Lincoln, and prayed for the demolition of Charleston with a zeal worthy of General Butler.

we know not, but that Dr. Hermansader began to feel "ennui," and proposed taking a "paseo" to town for the glorious celebration of American Independence. The Doctor was well known to all the shopkeepers of the Fortin, who admired alike his profound acquirements and patriotic sentiments.

When the Doctor was leaving the Fortin he remembered that advice of Horace, "Risum teneatis amici?" (take a rise out of your friends).

Nay, a certain trader, named Gonzalez, formerly our agent, who wished to save the commission of 1 per cent. for carriage of money, begged of him to convey 25,000 dols. m/c, to a mercantile house in the city.

Nothing can be more painful than the charge of ingratitude alleged against him by our friend of the sewing machine, who paid his hotel expenses on two occasions, and states that he walked off with his revolver, passport, and Masonic ticket.

COLON THEATRE. The production on Thursday evening last of Signor Petrella's grand opera "Iona" proved an event in the musical world, and drew to the Colon theatre a large and critical audience.

It was in the year '57 or '58 we do not remember which, that Signor Petrella received a commission to write an opera for Venice. And at the same time and for the same theatre commissions were given to Verdi, and to Appoloni, the author of "Il Ebreo," and a composer of note in Italy, Verdi's opera the "Simon Boccanegra," proved a fiasco.

The opera, whatever it was, that Appoloni presented, met with the same ill fate. But Signor Petrella's work proved a grand success. The opera was "Iona." The Buenos Ayres critics seem to have ratified the decision of the Venetian public, for if we are to judge by outward demonstrations and from the facts that the performers were vociferously called for at the conclusion of each act, the first representation of "Iona" at the Colon was an unquestionable triumph.

Sor Celestino did all that was possible to interest us in the amours of a high priest—at all times an ungrateful subject. Exceptions was found in his 'get up' by some learned critics fresh from the reperusal of Bulwer's romance.

Madame Mollo, in the important part of "Nidia, once more reminded us of the advantage we enjoy in being able to count upon the assistance of two prima donnas in the company.

Whilst in this laudatory humor, we must not forget to praise the scene-painter and property-man, and above all, the impresario for his spirited liberality in furnishing the general appointments of the opera.

The scene was, however, with the rest, completely new and capital after its kind. A few amendments might be easily made in future representations, with little extra trouble to the property man.

Of the music, we have not left ourselves much space to speak. It is, however, what we should expect of a writer of just sufficient genius to employ with effect his theoretical knowledge and long experience as the director of an orchestra.

MONTevideo. The "Reforma" of the 21st inst. relates a horrible case of cruelty, on the part of an English tailor, named Mayney, living in Calle Zavala. This man, or rather monster, was brought to justice about a year and a half ago, for having barbarously ill-treated his sister during a long time before.

New York Wool Market. Pending the revision of the tariff, and in view of possible contingencies growing out of the great military events of the day, the movement in both domestic and foreign has been comparatively light.

existence for a length of time. She was conveyed to hospital in a litter.

The Ministers of France, Italy, Portugal, and Spain, have written lengthy replies to the Government, depicting the failure of negotiations with Flores, and praying President Aguirre to use his efforts for peace.

A grand concert will be given at the Theatre on the 28th, for the joint benefit of the poor, and Church of San Francisco.

The President and Minister arrived at Canelones, en route for Moreno's head quarters, and stayed there till noon on the 21st. It is rumoured in Buenos Ayres that they had a very narrow escape. Flores advanced pickets having intercepted Moreno's army.

We have no news how the sale on the 22nd went off, of jerked beef, damaged in the wreck of the Doctor Cruzent.

OLIVEN BEEF. Mr. Oliden requests us to state in answer to Mr. Claypole, that he had not meant to express that a clerk of Smith Brothers informed him, but that the words "of the same house" referred to the firm which had first given him particulars on the subject.

IRLAND. Dublin. The ceaseless flow of emigration from this country is scarcely more important than the direction of the current.

The Cork Reporter states the rush for passages to have been so great that persons desirous of being booked on Thursday would not be entered for any time before the 25th of June next, with a probability of being obliged to wait still longer.

There are over 2000 persons already entered to sail in the Inman Company's boats, and before one of that number can be sent, there will be a vast increase by other entries made in Liverpool and Queenstown, and by the receipt of advice fares paid in America.

Next day the number was between 200 and 300, of whom 40 had their passages paid by Lord Clontarf. All of them had been the occupants of small farms, and they are described as the bone and sinew of the country.

MEDICAL REVIEW

The number for this fortnight is not very interesting, though very scientific. The editors seem to ratify the condemnation of Dr. Pommeray...

URUGUAY

Murder of Three Persons. By some mistake, our papers from Concepcion reach only to the 16th inst. A negro was murdered at Gen. Urquiza's saladero...

THE ROSARIO MAILS

We received no 'Ferro-citril' per Pavan, and are indebted to the courtesy of the 'Tribuna' for the following items:—

General Acosta, of Flores' staff, arrived in town on Friday night, on special mission to Government. Minister Reguera has been received by the Argentine Government.

THE URUGUAY

This Liverpool steamer, which leaves on Tuesday, made so rapid a passage out, that there are bets she will beat the Royal Mail: we, therefore, send some papers.

scene ensued, much to the amusement of all concerned. The politiced gentleman had indiscreetly left a light in his room, and this lured the lady from her path.

Her husband was so amused and excited by the mistake that he quite forgot his pains, but with his wife and trunks, left for parts unknown.

LOCAL EVENTS

Disgraceful Tricks.—Don Daniel Lopez published yesterday morning a notice contradicting the invitation to his funeral, which appeared in Friday's 'Nacional'.

Congress.—The Senate met yesterday. The committee threw out the bill for prosecution of the 'Pueblo' article against Senator Pincro.

Sudden Death.—The 'Pueblo' reports that a clerk in a dye-shop, 437, Victoria, dropped dead yesterday: corpse was conveyed to the Policia.

The brokers were very busy to day, and there was a great stir of business noticeable in the hall; it was said that some bulls who had been buying last week at 29 30 for to-day, and had not previously bought in were heavy losers this afternoon.

There is a very anxious feeling amongst both brokers and merchants as to the possible consequences likely to ensue from too sudden a change in the value of our circulating medium.

There were no charters effected in town to-day, but we hear of one from Montevideo—the Bremen barque Columbia, to reload guano, ex American ship Union, at 42s. for Antwerp.

Several buyers of Provincial and National Bonds have made their appearance on 'Change, and offer, we understand, 2 and even 3 per cent. over last quotations, but the holders are very wary, and refuse to sell under 75 per cent.

Mr. Wheelwright, we believe, is expected in town to-morrow, from Rosario. He returns in order to write by the Rosario mail.

The Pavan arrived punctual to a minute, but brought neither silver from San Juan nor news from Chile Copper, however, is coming down from Cordoba, although we hear from dealers that the mining of coppers is at present a losing business.

The Paraguay steamer will be due to-morrow. The Fairy is due to-day from Rosario and leaves this evening for Montevideo. The 'Nacional' erroneously stated that Mr. Wheelwright leaves to-morrow, for Rosario.

## SAVINGS BANK.

BANK MANS & CO.,  
No. 103 Calle de Cangallo,  
BUENOS AYRES.

The immense Advantages of Accounts Current are now generally felt and appreciated in the two great emporiums of the River Plate, Montevideo and Buenos Ayres, that there are very few Merchants who fail to keep one of the bank in which they place the most confidence. The Bank of Mans & Co. in Montevideo has already provided for the working classes in that city a safe and profitable depository for their savings.  
The sums deposited in that most important institution are daily increasing, and already reach a very large amount.  
These advantages have not hitherto been enjoyed in this city by an immense number of clerks, artisans, working men, and servants of all classes and conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness, or old age, instead of spending them in the immoral gambling, in lotteries, and other frivolities.  
The Bank of Mans & Co. of this city, following the noble example of their firm in Montevideo, now offer the same facilities in this city, and will open a Savings Bank at No. 103 Calle Cangallo, from Nine a.m. till Three p.m. on Week Days, and on Sundays and Holidays from Ten a.m. to Twelve m., for the reception of the savings of the classes already mentioned.  
The Bank will deliver to each depositor a pass book, in which will be entered the amount deposited and withdrawn.  
The depositor is permitted at any time to withdraw the whole or part of the sum deposited; in the former case the interest will be calculated up to date.  
The Bank of Mans & Co. is sufficiently known to the Public by the benefit derived from the course of its operations, which are regulated on the strictest and soundest principles, and always directed to promote the general welfare.  
The Bank of Mans & Co. are also persuaded that this new branch of their business will render immense service to the working classes of Buenos Ayres and its neighbourhood.  
Buenos Ayres, September 19, 1863.  
P. Mans and Co. WILLIAM LESLIE

### CONDITIONS.

First—The Bank receives at interest any sum from Twenty-five Dollars currency Silver Dollar upwards.  
Second—The interest allowed is six per cent. (6 p. 100) per annum, which is liquidated every six months.  
Third—The depositors can at any time retire the whole or part of the money deposited.  
Fourth—Once the money deposited exceeds twenty-five thousand dollars currency, or one thousand dollars silver, the depositor, if he wishes, can open an account current, according to the rules established by the Bank.  
Fifth—In case the depositor loses his pass book, it can be replaced by another on paying twelve dollars currency, and advertising the loss in the public newspapers.
