SAVINGS BANK.

BANK OF MEXICO & CO.,
No. 103 Calle de Cagallo,
BUENOS AYRES.

The immense advantages of Accrued Current are now generally felt and appreciated in the two great emporiums of the River Plate. Most cities and towns agree that there are very few merchants who fail to keep one of the books in which they place the most confidence.

The Bank of Mexico and Co. in Montevideo has already provided for the working classes in that city a safe and profitable repository for their savings.

The sums deposited in that bank are not only safe, but are daily increasing, and already reach a very large amount.

These advantages have not hitherto been enjoyed in this city by an immense number of clerks, artisans, working men, and servants of all classes and conditions, who are equally interested in putting their savings out at interest, thus providing themselves with a reserve fund in case of need, sickness, or old age, instead of squandering them in the immoral gambling, in lottery, and other frivolities.

The Bank of Mexico and Co. of this city, following the noble example of their firm in Calle Cagallo, from now on will open a Savings Bank on Wed. Days, and on Saturdays and Holidays from 10 o'clock to 4 o'clock, for the reception of the savings of the classes already mentioned.

The Bank will deliver to each depositor a pass book, in which will be entered the amount deposited and withdrawn.

The deposits are permitted at any time to withdraw the whole or part of the sum deposited: in the former case the interest will be calculated up to date.

The Bank of Mexico and Co. is respectfully invited by the Public by the benefit derived from the course of its operations, which are regulated on the strictest and soundest principles, and always directed to promote the general welfare.

The Bank of Mexico and Co. are also pleased that this new branch of their business will render considerable service to the working classes of Buenos Ayres and its neighbourhood.

Buenos Ayres, September 13, 1864.
P. Macho and Co. **WILLIAM LESLIE**

CONDITIONS.

1st.—The Bank receives of interest any sum from Twenty-five Dollars currency Silver Dollars upwards.
2nd.—The interest allowed is six per cent. 6 p. p. per annum, which is liquidated on the 1st of January.
3rd.—The deposits can be made at any time, or at the close of the month deposited.
4th.—The interest on the money deposited accrues interest free (without dollar currency, or we should not deduct any for the retention of the savings of the classes already mentioned.)
5th.—In case the depositor loses his pass book, it can be replaced by another on paying twelve dollars currency, and retaining the book in the public repository.
