CUSTOM-HOUSE TRICKS To the Editors of the Standard. Gentlemen, It is already a matter of notoriety that the custom house authorities make it a rule to stifle all attempts on the part of merchants to obtain justice

WE publish above a table of the price of ounces for the first Saturday in the months of August, September, October, November and December for the last three years. So much is said respecting the impending crisis respecting the matter we simply give the figures and let our merchants judge for themselves.

THE ROSARIO MAILS The Pavan brings us Friday's 'Ferrocarril.' The cargo of the 'Englishman' was entirely discharged in 14 days after arrival, an operation which takes on an average as many weeks in Baynes. One of the sailors got drunk on the day of dedication, and fell over the baracca, a depth of 70 feet; this fall is deemed sufficient to kill an ox, but our countryman happily escaped with a few scratches.

Curious French of Promise Case The case of Susan Roberts v. Samuel Payne was heard in the Court of Common Pleas, Dublin, on Thursday. This was an action for damages, brought by the plaintiff against the defendant for an alleged breach of promise of marriage. Damages were laid at £1,000.

THE STEAMER PAVON The undersigned begs hereby to testify to the laudable act of Captain Price in refusing to allow a poor man named Rafael Espinoza, supposed to be mad, to put ashore because having no ticket. The passengers the captain agreed with the captain to make up the amount, in order to cause no loss to the vessel. It was unanimously resolved to communicate this to the public through the columns of the 'Standard.'

FOREIGN MISCELLANY. Details have been received of the frightful explosion of gunpowder at Tripoli. The war materials were being removed from a Spanish fort, when 3,000 lbs. weight of powder and a large quantity of munitions ammunition exploded. The consequences were frightful. All the buildings in the town were shaken to their foundations, and 620 people, including 600 Ottoman soldiers, quartered in the adjoining barracks, perished.

MENDOZA. Dates from Mendoza to July 23rd. The Hibernian battalion arrived from San Juan with several of the mutineers in train. The other battalion which landed at Mendoza was destroyed by order of the Colonel.

RIVER PLATE MAGAZINE. The August No. (8) was given round yesterday, and is much better than the last. We will review it to our next.

The majority of people on 'Change look at the present state of affairs as very dangerous. If the project is passed, down come patricians; and again, if it is defeated in the Legislature, patricians must inevitably go up.

The great trouble on 'Change to-day was the Indian at Calcutta. Many of our most distinguished brokers knew the gentleman in question, and it report he truly one English broker was loaded for 249 by the extraordinary Cap.

SAVINGS BANK.

BANK MAY & CO., No. 103 - calle de Cagallo, BUENOS AYRES.

The immense advantages of Accounts Current are now so generally felt and appreciated in the two great emporiums of the River Plate, Montevideo and Buenos Ayres that there are very few merchants who fail to keep one at the bank on which they place the most confidence. The Bank of May and Co. in Montevideo has already provided for the working classes in that city a safe and profitable depositing for their savings which are daily increasing, and already reach a very large amount. These advantages have not hitherto been enjoyed in this city by an immense number of clerks, artisans, working men, and servants of all classes and conditions, who are equally interested in putting their savings and of interest, into profitable places in the mercantile, in Latin, and other facilities.

CONDITIONS.

First.—The Bank receives at interest any sum from Twenty-five Dollars currency Silver Dollar upwards. The interest allowed is six per cent. (6%) per annum, which is liquidated every three months. Second.—The interest allowed is six per cent. (6%) per annum, which is liquidated every three months. Third.—The depositors can at any time raise the whole or part of the money deposited. Fourth.—Over the money deposited, the depositors, if they wish, can open an account current, according to the usual established by the bank.
